Support for Teaching Native American Content in Minnesota Schools: Mini-Grants for K-12 Educators

2023-2024 Grant Guidelines and Application Preview Worksheet

Grant Guidelines

Purpose

The Shakopee Mdewakanton Sioux Community (SMSC), in partnership with the Minneapolis Foundation, is pleased to announce a new program to provide educators with small grants to assist them in teaching Native subject matter accurately. This funding opportunity is part of the SMSC's [Understand Native Minnesota](#) campaign, which is focused on improving the narrative about Native peoples, their history and culture, and tribal governments in Minnesota K-12 schools.

The program has $500,000 available for mini-grants in 2024, with awards of up to $2,000 per educator. Educators at public, private, charter, and tribal schools are all welcome to apply.

Program Goals

This mini-grant program aims to:

1. Promote the acquisition and use of Native-specific resources for classrooms and libraries.
2. Develop new standards-aligned curriculum resources.
3. Support educators in attending high-quality, Native-specific professional development.
4. Support experiential learning opportunities both in and out of the classroom.
5. Implement best practices for Native students.

What We Will Fund

Proposals should align with one or more of these five key funding categories:

1. Resources and/or materials for the classroom that address current or upcoming Minnesota state academic standards.
2. Professional development that specifically focuses on Native content or best practices for working with Native students.
3. Classroom projects or experiential learning opportunities that expand classroom learning about Native content.
4. Curriculum and resource development that meets current or upcoming Minnesota state academic standards.
5. Other activities that are consistent with the goal of teaching Native content more accurately and comprehensively.

Grant dollars must be fully expended by Dec. 31, 2024.

Eligibility

This funding opportunity is open to educators in Minnesota K-12 schools statewide. This includes educators at public, tribal, charter and private schools. Individual educators, groups of collaborating educators, and schools are all welcome to apply.

Application Process

We will begin accepting applications on Monday, Dec. 18, 2023. All applications must be submitted by 1 p.m. on Monday, Jan. 22, 2024. We do not accept late applications or submissions via email.

All applicants will be notified of funding decisions by mid-March 2024.

All applications must be submitted online through the Minneapolis Foundation's portal, GranteeView. If you are applying for a grant from the Minneapolis Foundation for the first time, you will need to set up an account in our system. Follow the instructions on this webpage to register yourself as a Grant Administrator and your school as a grantee organization.
